THE PRESIDENT'S MESSAGE

By Eric Hubbard

July 1999

Hundreds of coins, tokens, and artifacts. Who says brush fires are not our friends. Especially when they go through a ghost town. Plus Goose may have the ultimate non-metal find. I'm still waiting to hear back from the Juab County Sheriffs Dept., but it appears he found a human foot and leg. No one could even venture a guess as to how many years it had lain there.

This next meeting is our annual "Bourse" night. So if you have anything to sell or swap, bring it with you.

In our last meeting it was brought up and voted on that we do some changing in the "Find of the Month" competition to help increase participation. The ideas that were discussed and we need to make a decision on are as follows:

- 1.) Making a split to allow for Professional, Amateur and Junior categories.
- 2.) Using the regular point system, have a Detectorist of the Month named in the newsletter, rather than a Detectorist of the Year.
- 3.) Rather than silver dimes for first places, give tickets for first place & for each item entered and draw for one large prize. Either monthly or at the Christmas dinner.

We'll discuss each of these briefly at the next meeting and vote on them immediately afterward. So if you have a definite opinion on any of these, make sure and be there.

Don't forget the Competition Hunt coming up in August. We're already talking about a bigger one next year, so this is your chance to get practiced up if you haven't been to one before.

See You All Thursday,
Eric
